

CATIO SPACES®

Designing Spaces for Safe, Healthy & Happy Cats

QUICK FACTS

What Seattle-based company designs and builds custom catios in the Puget Sound region and offers a variety of DIY catio plans for cat guardians who want to build their own or hire a carpenter.

Benefits of Catios

- protects cats from predators, poisons, diseases from other animals or getting lost;
- reduces vet bills from vehicles, cat fights or injuries;
- protects birds and wildlife (over 2.4 billion birds are killed by free-roaming cats in the U.S. each year);
- helps reduce the free-roaming cat population;
- provides a healthy lifestyle with the enrichment of fresh air, exercise, sunbathing and bird watching;
- helps reduce indoor multi-cat issues by adding more territory and stimulation;
- creates an outdoor space for human and feline interaction and bonding;
- helps eliminate indoor litter odors (with an outdoor litter box);
- maintains good neighbor relations by keeping cats out of neighbors' garden beds and property;
- provides cat guardians with peace of mind knowing their cat is in a safe and protected environment.

History.....Officially launched in 2014

Founder..... Cynthia Chomos

As a passionate cat lover and owner, Cynthia founded Catio Spaces to address the need for safe and aesthetically pleasing outdoor enclosures to enhance a cat's life and longevity. After the loss of her beloved 22 year-old cat, she adopted a tabby kitten, Serena, who is the inspiration for Catio Spaces. Cynthia combines her expertise as a Feng Shui consultant and designer - creating harmonious spaces for positive living - with her catio designs to create safe and stimulating havens for felines. The Seattle resident is a licensed contractor and an Associate Member of the Master Builders Association of Snohomish and King Counties.

What others say

“Providing cats with outdoor access in enclosures ensures we are good cat owners and good neighbors. It means being responsible for wildlife, responsible for community space, and responsible for the safety of our cats.” ~ Jennifer Hillman, Vice President, Grassroots Outreach and Engagement, The Humane Society of the United States.
