Benefits..... view [Top 10 Benefits](#)

Catios help protect cats from vehicles, predators, poisons and diseases, while also protecting birds and other wildlife, giving owners peace of mind knowing their cat is in a safe, pleasant and enriching environment.

History.....Officially launched in 2014

Founder.....**Cynthia Chomos**

As a passionate cat lover, Cynthia founded Catio Spaces to address needs for safe and aesthetically pleasing outdoor enclosures that enhance a cat's life and longevity. She combines her expertise as a Feng Shui consultant/designer - creating harmonious spaces for positive living - with her designs to create safe and stimulating havens for felines. Cynthia is a licensed contractor and member of the Master Builders Association of Snohomish and King Counties, and credits her tabby, Serena, with inspiring Catio Spaces.

Products: Custom catios (available in Greater Seattle/Puget Sound area), plus DIY catio plans, available online. Offered in a variety of sizes and styles, DIY catio plans are easy to assemble and rewarding to build. DIY plans are priced starting from \$39.95. Gift Certificates are also available.

Giving back: 10% from the sale of each DIY catio plan is donated to an animal welfare organization. An [Affiliate Program](#) further enables organizations to generate revenue for their cause.

Awards.....**Editor's Choice, 10 Best Cat Products of the Year**

2017 – The Conscious Cat, a multiple-award winning blog and resource, named the DIY Catio Plans by Catio Spaces an “Editor’s Choice” as a top 10 cat product.

What others say

“Providing cats with outdoor access in enclosures ensures we are good cat owners and good neighbors,” It means being responsible for wildlife, responsible for community space, and responsible for the safety of our cats.”

~ Jennifer Hillman, Western Region Director for **The Humane Society of the United States**.

“Catios are a fantastic way to provide your cat with safe outdoor experiences that simultaneously protect birds and other wildlife. These customizable enclosures will no doubt continue to gain in popularity as owners recognize the opportunities for cats and peace of mind for themselves that catios provide.”

~ Grant Sizemore, Director of Invasive Species Programs, **American Bird Conservancy**.
