

2026 Release of Liability Waiver - Open House by Catio Tour Seattle

I understand that participation in Catio Tour Seattle will involve visiting a variety of enclosures that may be occupied by cats or other animals. I also recognize that animals can sometimes be unpredictable.

I understand and acknowledge that handling animals or spending time around them—especially in or near enclosures they occupy—can create certain risks and dangers to me, including risks of injury to person or property.

I acknowledge that Catio Tour Seattle is primarily organized and sponsored by Catio Spaces and Humane World for Animals, with promotional support from animal welfare partners. I further acknowledge that catio tours are often hosted by homeowners and volunteers who are not formally trained in providing medical treatment or professional animal care.

Accordingly, I ASSUME ALL RISKS AND HAZARDS incidental to my participation in Catio Tour Seattle as a participant or catio host. I also RELEASE, ABSOLVE, INDEMNIFY, AND HOLD HARMLESS all organizers and their catio hosts, employees, volunteers, agents, or other representatives from and against all claims, damages, injuries, demands, losses, costs, and expenses (including reasonable attorney's fees) that I may incur while participating in Catio Tour Seattle and rising out of any act or omission of those indemnified herein.

In registering online for Catio Tour Seattle on SATURDAY, APRIL 25, 2026:

1. I acknowledge that I have carefully reviewed this Release of Liability Waiver and fully understand that it is a release of all liability and a waiver of any right I may have to bring suit or make a claim of any kind.
2. I acknowledge this waiver applies to the individuals for whom I have purchased tickets, who will be attending the catio tour.
3. I hereby grant to the Sponsors of Catio Tour Seattle an irrevocable, perpetual, royalty-free license to use, adapt, modify, reproduce, distribute, publicly perform and display, for any purpose whatsoever, in any medium, including but not limited to videos, books, art work, postcards, brochures, Internet content, and any updates to such products and materials, the following:
